A Message from the Founder

My life changed when I began believing that I was uniquely created. I got excited about waking up! This was a feeling I hadn't experienced in awhile. It's a rush knowing that God has work for me to do, and He doesn't want anyone else to do it for me. Do you believe this? Do you believe there is a specific, God-given mission you are to accomplish here on earth? Whether you believe it or not, it's true.

God says to Jeremiah, "Before I formed you in the womb I knew you, before you were born I set you apart; I appointed you as a prophet to the nations." Jeremiah 1:5

God knew Jeremiah before He formed Him! He had work for him to do before he even came out of his mother's womb!

God says of believers, "For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do." Ephesians 2:10

He prepared good works for me in advance. Much like Jeremiah, you and I have been entrusted with a task! This is why we exist.

My heart is to see Eternity Bible College train young people for their mission. Too many people waste precious years of their lives chasing after the temporary and unfulfilling. The college years are vital. Proper training can save us from years of boredom.

Our mission goes beyond education to discipleship. Our desire is that students will not only learn from teachers, but know them. We don't expect students to observe a healthy church, but to be a critical part of it. We plan to place students in secular settings where their faith is going to be challenged, and walk with them through the battles. At the core of all we do is discipleship.

Eternity Bible College isn't the best college for everyone. Pray and explore. If God leads you here, let's make every day count.

Forever His,

Francis Chan

Institutional Distinctives

Mission and Core Values

Mission

As an institution of Christian higher education, Eternity Bible College exists to glorify God through graduates whose lives are transformed by rigorous study of the Bible as Scripture, impassioned love for God, and gracious service in the church for the world.

Core Values

In fulfilling this mission we are committed to:

1. The ultimate authority and sufficiency of the Word of God
2. A biblically sound partnership with the local church
3. An intellectually rigorous pursuit of ultimate and applied truth
4. A global perspective of the body of Christ
5. A spirit of gracious yet fearless engagement in the world
6. Learning that consists of content, incarnation, and action
7. An education accessible to all who truly desire it
8. Knowledge which results in humility rather than arrogance

The Uniqueness of Eternity

“Why another Bible College?” Eternity Bible College is different from other colleges in that our mission requires us to train students in unique ways from usual colleges. Several distinctive features help us with our mission:

1. Eternity is committed to fulfilling God’s calling upon local churches to teach, equip and send out those whom God has allotted to our care. Higher education is typically autonomous from the local church; and yet, in God’s plan, the local church has the privilege and responsibility of teaching, equipping and sending out members of the body of Christ.

2. Eternity is committed to sound theology in the context of twenty-first century culture. Frequently colleges tend to err either on the side of neglecting doctrine or on the side of teaching doctrine without any acknowledgement of the current cultural milieu. Our goal is for our students to be able to understand both the Scriptures and their culture(s) and serve as human bridges between them.
3. Eternity is committed to providing an atmosphere of local church ministry. The emphasis of the college is teaching and practical training in the context of an actual local church rather than primarily academic research. Students are taught to serve the Lord alongside the college faculty and pastoral staff in the midst of real community.
4. Eternity is committed to providing a high quality, theologically sound education without burdening students with indebtedness. This is accomplished through a principle of shared sacrifice, where students, faculty, staff, and donors / donor organizations all share the sacrifice required to accomplish this goal. We cannot guarantee that students will graduate without debt because some students may be lazy or irresponsible with their use of time and money. However, we do provide the education at a price that makes it possible for students to accomplish this through hard work and personal discipline.
5. Eternity is committed to infusing a passion for God in each student. We produce, not just scholars, but worshippers who worship God with their whole heart in spirit and in truth. An emphasis will be placed upon passionate worship of God with our very lives in a way that is consistent with biblical truth.

Institutional Goals

We will accomplish our mission by:

1. Establishing a comprehensive understanding of the Bible and a consistent practice of applying it (Core Values 1, 3).
2. We will accomplish our mission by developing servant-leaders, equipped for lives of sacrificial ministry as part of a community of believers regardless of their chosen vocation (Core Values 3, 6).
3. We will accomplish our mission by encouraging growth in their whole person manifested in a worldview that demonstrates a passion for God and a love for all kinds of people (Core Values 2, 3, 6, 8).
4. We will accomplish our mission by developing effective thinkers, communicators, and problem solvers (Core Values 3, 5).
5. We will accomplish our mission by cultivating gracious and educated contributors to contemporary society (Core Values 5, 6).
6. We will accomplish our mission by fostering an understanding of God's global purposes (Core Value 4).
7. We will accomplish our mission by partnering with the local church in order to ensure personal training and application to every area of life (Core Value 2)
8. We will accomplish our mission providing an inexpensive education that is accessible to all regardless of gender, ethnicity, income, or geographical location (Core Value 7)

Educational Philosophy

The philosophy of education out of which the curriculum is developed is based upon an understanding that education/theological training cannot be compartmentalized. At Eternity, each program is designed in such a way that the students will have an exalted view of God's Word and have a platform to actually do the work of ministry. It is important that students not only allow time in the classroom to shape their understanding of ministry, but it is also critical that students spend time out of class doing the work of ministry and allow this time of practicum to actually shape their education as well. The faculty at Eternity wants to encourage students to think through issues of life, ministry and theology within

a distinctly biblical framework. Professors do not want to simply tell students what to think but instead teach students how to think biblically.

Student Development Philosophy

We believe in a holistic model of education. We go beyond the simple transmission of facts and train the whole person. Much instruction takes place within the classroom, but each student's training includes his or her involvement in the life and ministry of a local church, relationships with other students, relationships with the Eternity staff and faculty, and interaction with the surrounding culture. What we teach in the classroom is learned in the context of relationships, church life, and engagement with culture.

This being our goal, students are required to participate in and contribute to the life of a local church. Each student must serve in some type of church ministry and must be involved with a mentor in their local church. In addition, student life at Eternity is designed to push students deeper into church involvement. Rather than functioning as a substitute for the local church, we train and encourage students to function properly within the body of Christ—not after college, but as a vital part of their student life while at Eternity.

Student life events are designed to promote the type of relationships that support a holistic learning environment. We place students with faculty in real-life situations so that the same professors who shape their theology can also mold their character. We give students the opportunity to observe and interact with other students and faculty outside of the classroom because learning must happen in the context of community. This relational model of education serves as a catalyst for student involvement in their local churches.

Assessment of Student Learning

Eternity Bible College is committed to providing a high-quality education. Assessment of student learning is a critical mechanism for ensuring that this is occurring, and evaluating areas where change needs to occur to provide the quality of education. Evaluation tools are currently being used at the program and institutional levels to assess whether or not the established learning outcomes are being met. The evidence collected through these tools is analyzed and used to continually update the plan to improve the academic

programs to better meet the established learning outcomes.

Statement of Faith

We believe that...

There is only one God, eternally existing in three persons (Father, Son, and Holy Spirit), eternal in being, identical in nature, equal in power and glory, and each having the same attributes and perfections. The one eternal, sovereign God created the heavens and the earth and everything in them and declared all of his creation to be good. God possesses an exhaustive foreknowledge of all things; there is nothing God does not know, past, present, or future.

The Bible is inspired by God and is therefore our ultimate and final authority for all matters of faith and practice.

Humanity's greatest joy and purpose is to put God on display. Every human is created in the image of God and therefore has inherent and equal dignity and worth. We believe this begins at conception and continues throughout life. Therefore, all forms of abuse, slander, dehumanization, or oppression toward fellow people for any reason is an affront against the image of God.

As a result of the sinful rebellion of our first parents (The Fall), every aspect of human nature has been corrupted. Human beings are sinners by nature and by choice which prevents us from rendering obedience to God apart from God's gracious intervention. Because sin is rooted in the core of our being, we are totally incapable of being reconciled to God apart from divine grace. We believe all people stand in need of the Savior, who alone can address our spiritually dead condition.

Jesus, Israel's promised Messiah, was conceived by the Holy Spirit, born of a virgin and is God incarnate, fully God and fully man, one Person in two natures. He lived a sinless life in obedience to the Father, perfectly revealing the Father, taught about the kingdom of God and what it means to live as a citizen of that kingdom. He died on the cross for the sins of the world, was raised bodily from the dead by the power of the Holy Spirit, and lives at the right hand of the Father as our High Priest and Advocate.

Jesus Christ brought about reconciliation between God and man by faithfully offering himself up to die and raising victoriously in resurrection life. The Bible invites us to consider Christ's atoning work on the cross as a multi-faceted reality, including but not limited to dying as a sacrificial representative for sinners

thereby removing our guilt and shame, accomplishing complete victory over the enemy, and serving as the ultimate example for the church to follow.

God has graciously predestined from eternity past to redeem a people for Himself and to make all things new for His own glory. Those who trust Jesus as their Savior and King are regenerated by the Holy Spirit and reconciled to God. They are adopted as children of God and united with Christ. This union results in believers being declared righteous and honorable.

God's justifying grace must not be separated from His sanctifying power and purpose. God commands us to love Him supremely and others sacrificially, and to live out our faith with care for one another, compassion toward the poor and justice for the oppressed. With God's Word, the Spirit's power, and fervent prayer in Christ's name, we are to combat the spiritual forces of evil.

The Holy Spirit has been sent from heaven to glorify the Lord Jesus. He convicts sinners, imparts spiritual life and gives a true understanding of the Scriptures. He regenerates sinners and in Him they are baptized into union with Christ and adopted as heirs in the family of God. He also indwells, guides, equips, and empowers believers to display the character of the Lord Jesus. He empowers the church to accomplish all God intends for her.

The universal church is God's new covenant people, spanning time and geography. Christ is the head of the universal church, and all who are saved are adopted into this people through the work of the Holy Spirit. The universal church is made visible in local churches, which are distinct groups of believers who are committed to live out the "one anothers" of scripture in submission to a distinct group of qualified leaders. Local churches are characterized by a regular practice of communal worship including prayer, preaching, singing, the Lord's supper, and baptism. They are also characterized by a focus on the gospel, discipline for the sake of godliness, a focus on God's mission in the world, and most importantly by her love for God and people, both those inside and outside the church. In obedience to Jesus' command, the church is to make disciples among all people, always attesting to the gospel in word and deed.

The gospel has both individual and corporate dimensions which are indivisible. Jesus has not only brought about peace with God but also peace between estranged groups of people. His purpose was to create in himself one new humanity, and in one body to reconcile all groups of people to God through his atoning work. When believers walk by the Spirit, the church prefigures the new

heavens and new earth.

Jesus is coming one day to usher in his final and perfect kingdom on earth. On that day he will raise the dead bodily and judge the living and the dead. All those who believe and obey Jesus will live forever with him in the new heavens and new earth. All those who do not believe in Jesus will be separated from God for eternity as a consequence of their sin and rejection of God.

Additional Affirmations

Historical

In addition to the above statements, we see ourselves connected to the history of Christianity as a whole, and therefore we affirm the Apostle's Creed, the Nicene Creed (381), the Chalcedonian Definition, and the Athanasian Creed.¹ The language and purpose of each creed is unique to their time and place, but we affirm that while not comprehensive, they are accurate statements of the Christian faith.

Global

We not only see ourselves connected to the church historically, but also globally. As such, we affirm the [Cape Town Commitment](https://www.lausanne.org/content/ctc/ctcommitment) (<https://www.lausanne.org/content/ctc/ctcommitment>) produced by the Lausanne Movement in 2010. As with the historic creeds, the language and issues at places may be foreign to American or Western ears, but we affirm a commitment to both the doctrine and the implications expressed therein.

In particular, we affirm that all right belief must also issue forth in right action. The Cape Town Commitment makes this explicit in ways that few other statements have. We affirm that it is both incongruous and detestable to live at odds with the affirmations that one believes, and that hypocrisy in the church is a detriment to our witness and brings shame on the name of our Lord Jesus Christ.

Contextual

Due to the specific time and place in which we live, we also affirm the following statements with regard to marriage:

We believe that the term marriage has only one meaning as defined by God: the uniting of one biologically born man and one biologically born woman in a single,

¹ See below for full text of each.

exclusive, covenantal union, designed to be severable only by death. The ultimate purpose of this covenantal union is to display the relationship between Christ and the church. God has designed for sexual intimacy to occur within marriage as a glorious and beautiful expression of that union. Anything that violates or breaks the covenant union of marriage and any form of sexual activity outside the bounds of marriage are against God's design and therefore sin which produces painful consequences for all involved.

Statement of Faith Appendix – Historic Creeds & Confessions

Apostles Creed (uncertain date)

I believe in God, the Father almighty,
creator of heaven and earth.
I believe in Jesus Christ, his only Son, our Lord,
who was conceived by the Holy Spirit
and born of the virgin Mary.
He suffered under Pontius Pilate,
was crucified, died, and was buried;
he descended to hell.
The third day he rose again from the dead.
He ascended to heaven
and is seated at the right hand of God the Father almighty.
From there he will come to judge the living and the dead.
I believe in the Holy Spirit,
the holy catholic² church,
the communion of saints,
the forgiveness of sins,
the resurrection of the body,
and the life everlasting. Amen.

Nicene Creed (381 A.D.)

We believe in one God,
the Father almighty,
maker of heaven and earth,
of all things visible and invisible.
And in one Lord Jesus Christ,
the only Son of God,

² Catholic in the sense of the true Christian church of all times and all places, to be distinguished from "Catholic" as shorthand for the Roman Catholic Church. This applies to all uses of catholic in the proceeding statements.

begotten from the Father before all ages,
God from God,
Light from Light,
true God from true God,
begotten, not made;
of the same essence as the Father.
Through him all things were made.
For us and for our salvation
he came down from heaven;
he became incarnate by the Holy Spirit and the virgin Mary,
and was made human.
He was crucified for us under Pontius Pilate;
he suffered and was buried.
The third day he rose again, according to the Scriptures.
He ascended to heaven
and is seated at the right hand of the Father.
He will come again with glory
to judge the living and the dead.
His kingdom will never end.
And we believe in the Holy Spirit,
the Lord, the giver of life.
He proceeds from the Father and the Son,
and with the Father and the Son is worshiped and glorified.
He spoke through the prophets.
We believe in one holy catholic and apostolic church.
We affirm one baptism for the forgiveness of sins.
We look forward to the resurrection of the dead,
and to life in the world to come. Amen.

Chalcedonian Definition (451 A.D.)

We, then, following the holy Fathers, all with one consent, teach men to confess one and the same Son, our Lord Jesus Christ, the same perfect in Godhead and also perfect in manhood; truly God and truly man, of a reasonable (rational) soul and body; consubstantial (coessential) with the Father according to the Godhead, and consubstantial with us according to the Manhood; in all things like unto us, without sin; begotten before all ages of the Father according to the Godhead, and in these latter days, for us and for our salvation, born of the Virgin Mary, the Mother of God, according to the Manhood; one and the same Christ, Son, Lord, Only-begotten, to be acknowledged in two natures, inconfusedly,

unchangeably, indivisibly, inseparably; the distinction of natures being by no means taken away by the union, but rather of the property of each nature being preserved, and concurring in one Person and one Subsistence, not parted or divided into two persons, but one and the same Son, and only begotten, God, the Word the Lord Jesus Christ; as the prophets from the beginning (have declared) concerning him, and the Lord Jesus Christ himself has taught us, and the Creed of the holy Fathers has handed down to us.

Athanasian Creed (uncertain date)

Whoever desires to be saved should above all hold to the catholic faith. Anyone who does not keep it whole and unbroken will doubtless perish eternally. Now this is the catholic faith:

That we worship one God in trinity and the trinity in unity,
neither blending their persons
nor dividing their essence.

For the person of the Father is a distinct person,
the person of the Son is another,
and that of the Holy Spirit still another.

But the divinity of the Father, Son, and Holy Spirit is one,
their glory equal, their majesty coeternal.

What quality the Father has, the Son has, and the Holy Spirit has.

The Father is uncreated,
the Son is uncreated,
the Holy Spirit is uncreated.
The Father is immeasurable,
the Son is immeasurable,
the Holy Spirit is immeasurable.

The Father is eternal,
the Son is eternal,
the Holy Spirit is eternal.

And yet there are not three eternal beings;
there is but one eternal being.

So too there are not three uncreated or immeasurable beings;
there is but one uncreated and immeasurable being.

Similarly, the Father is almighty,
the Son is almighty,
the Holy Spirit is almighty.

Yet there are not three almighty beings;
there is but one almighty being.

Thus the Father is God,
the Son is God,
the Holy Spirit is God.

Yet there are not three gods;
there is but one God.

Thus the Father is Lord,
the Son is Lord,
the Holy Spirit is Lord.

Yet there are not three lords;
there is but one Lord.

Just as Christian truth compels us
to confess each person individually
as both God and Lord,
so catholic religion forbids us
to say that there are three gods or lords.

The Father was neither made nor created nor begotten from anyone.

The Son was neither made nor created;
he was begotten from the Father alone.

The Holy Spirit was neither made nor created nor begotten;
he proceeds from the Father and the Son.

Accordingly there is one Father, not three fathers;
there is one Son, not three sons;
there is one Holy Spirit, not three holy spirits.

Nothing in this trinity is before or after,
nothing is greater or smaller;

in their entirety the three persons
are coeternal and coequal with each other.

So in everything, as was said earlier,
we must worship their trinity in their unity
and their unity in their trinity.

Anyone then who desires to be saved
should think thus about the trinity.

But it is necessary for eternal salvation
that one also believe in the incarnation
of our Lord Jesus Christ faithfully.

Now this is the true faith:

That we believe and confess
that our Lord Jesus Christ, God's Son,
is both God and human, equally.

He is God from the essence of the Father,
begotten before time;
and he is human from the essence of his mother,
born in time;
completely God, completely human,
with a rational soul and human flesh;
equal to the Father as regards divinity,
less than the Father as regards humanity.
Although he is God and human,
yet Christ is not two, but one.

He is one, however,
not by his divinity being turned into flesh,
but by God's taking humanity to himself.

He is one,
certainly not by the blending of his essence,
but by the unity of his person.

For just as one human is both rational soul and flesh,
so too the one Christ is both God and human.

He suffered for our salvation;
he descended to hell;
he arose from the dead;
he ascended to heaven;
he is seated at the Father's right hand;
from there he will come to judge the living and the dead.

At his coming all people will arise bodily
and give an accounting of their own deeds.
Those who have done good will enter eternal life,
and those who have done evil will enter eternal fire.

This is the catholic faith:

one cannot be saved without believing it firmly and faithfully.

Student Life

Spiritual Life

Training for lives of service runs far deeper than academics. Though students spend considerable time in the classroom, their spiritual growth also involves their relationships with the Lord, relationships with other people, and involvement in ministry and community. We believe in a holistic model of

education. This includes academics, submission to and involvement with a local church, and meaningful interaction with the broader community. Student Life at Eternity partners with local churches in challenging students in each of these areas.

Social Life

Education, ministry, and life in general all take place within the context of relationships. Community and social life are essential aspects of training for a life of service. In addition to the normal interaction that takes place before, during, and after classes, occasional student life events give students, faculty, and staff opportunities to share life experiences and interact in real-life situations. These types of relationships allow for the professors who shape the students' theology to also play a role in molding their character. In addition, we want students to live in community with each other. This means bearing one another's burdens and spurring each other on to both practical holiness and academic excellence. Beyond this, students' social lives must be grounded in the life of a local church. Students are to be actively involved in the life and ministry of a local church, not as an addition to student life at Eternity, but as a vital part of it.

Perhaps the greatest part of college is building lifelong relationships with other students and professors. At Eternity other quality individuals who share your passion for serving Jesus Christ will surround you. With that as the basis of all relationships, the social life of Eternity Bible College will challenge and encourage you.

Church Life

Seeing, experiencing, and participating in a healthy church helps each student form a vision for present and future ministry within the body of Christ. Each semester, students are required to actively participate in the ministry of their local church body. Rather than secluding students from church life during their time at Eternity, we believe that healthy training for a life of service involves active involvement in and submission to a local church. Not only does this give students a platform to immediately apply the principles they have been learning, it also ensures that they will be obeying the biblical mandate to appropriately

function as a member of the body of Christ.

Ministry

Eternity equips students to be more effective at serving / ministering in their local churches. The church's role is to make disciples who are then involved in serving in and through the church. Eternity comes alongside churches in that process. In order to facilitate this with our students, every student is required to be serving in the context of a local church every semester they are in attendance (For more details, refer to Ministry Involvement Requirement in the Academic Life section).

Geographical Setting

Simi Valley, California is an excellent place for a Bible College. It is located in Southeast Ventura County and is adjacent to the western perimeter of the San Fernando Valley. It is located 40 miles northwest of Los Angeles. Simi Valley is 40 miles away from Los Angeles International Airport (LAX), and 26 miles away from Burbank Airport. Simi Valley is only 30 miles from the beach and 90 miles from the Southern California ski slopes.

Simi Valley is known as a city that is both safe and beautiful, and currently has over 114,000 residents with the FBI consistently rating Simi Valley as one of the safest cities in America. Convenience is not compromised for clean air and rolling hills, since Simi Valley has close proximity to metropolitan areas. Simi Valley is located 10 miles away from Moorpark Community College, where many students complete some of their general education requirements.

Employment opportunities are available in Simi Valley and the surrounding communities of the San Fernando and Conejo Valleys. Students have found success finding employment at various restaurants, coffee shops, and retail stores in Simi Valley. If a student desires to work either full time or part time and actively seeks employment upon moving to Simi Valley, they will be able to find work.

Simi Valley continues to be a rural paradise, all within 39 square miles, and has over a dozen beautiful parks, miles of bike trails, an ice-skating rink, golf courses, bowling alleys, and one of the largest equestrian trail systems in the United States. Being 45 minutes from downtown Los Angeles, big city entertainment is just a drive away. Several amusement parks and professional

sports stadiums are nearby.

Disability Services

Disability Services provides service and reasonable accommodations for students with disabilities in all Eternity Bible College programs, activities, and functions, in accordance with the requirements of the Americans with Disabilities Act (1990) and Section 504 of the Rehabilitation Act (1973). If you are an individual with a disability who may require assistance or accommodation in order to participate in or receive the benefit of a service, program or activity, or if you want more information, you may contact the Disability Services Office.

Dress Code

In every situation, a Christian is to honor the Savior with holiness and righteousness; this includes moral purity, ethics and conversation. Applicants will be required to affirm the biblical values of this institution by signing Eternity's Code of Conduct statement.

It is our conviction and requirement that every student dress with modesty and behave in a manner that glorifies Christ (I Timothy 2:9). The college sets policies to maintain a healthy learning environment and believes that the personal appearance of the students may negatively impact this environment. Class attire is to be modest. It should be emphasized that in the manner of dress, each individual ought to reflect the attitude of Christ and consider others as more important than oneself. Each student must be cautious not to offend or be a stumbling block for another student or faculty member. This dress code will only be addressed through personal confrontation as required.

Housing

While the college has no on-site housing and does not screen or make housing recommendations, we do make available lists of students looking for roommates and lists of apartments. There are also a number of people in the church that rent rooms to students in their homes by the semester. The department of student life will assist in helping non-local students find suitable accommodations. The approximate cost for a two-bedroom apartment is \$1400 per month, which is approximately \$350 per month when divided among four students.

Student Privacy

The access and release of personal information, such as individuals' grades, grade point averages and academic standing, requires a written request from the student, with the following exceptions:

1. College personnel with legitimate academic concerns.
2. Parents of students under the age of eighteen.
3. State and Federal law enforcement agencies or officers of the court.
4. Medical personnel when a student's health is compromised.
5. The student designated and approved local church mentor for purposes of academic accountability.

College directories may include the following information: name, address, phone listing, dates of attendance, degrees, awards, fields of study, date of birth, place of birth, prior public or private school attendance, e-mail address and photographs. A student wishing to restrict the above information may do so with written notification to the Admissions office. Such a request will prohibit people, including relatives and friends, from accessing this information from the college.

Learning Resources

As of Fall 2019 the college has over 12,400 physical volumes in its library and electronic access to over 1,800 full-text periodical titles. A computer lab is also available to the students with networked computers and printing capabilities as well as wireless printing and access to the online catalog and subscription databases.

The library is growing continually, check with the Director of the Student Resource Center for the current status of access to physical and electronic resources.

Promotional Publications

Intermittently, photos and/or videos (candid, posed, and staged) will be taken of the student body. With admission to Eternity, the student agrees to release any and all claims to the College's use of the student's image or likeness in the pictures/videos. The college will have the sole discretion in their use of promotional materials such as displays, brochures, publications, press releases,

etc.

Student's Rights

A student has the right to inspect and review his or her personal educational records and to request amendments to inaccurate or misleading records. Questions concerning the procedures and policies should be directed to the Registrar.

Special Student Status

Students may be admitted as a “Special Student” without completing the full application at the discretion of the Admissions Office. Students who have this status may take no more than 12 credits total before changing to a fully admitted student.

Student Diversity (Non-Discrimination)

Our specific mission as a school causes us to restrict admission to evangelical Christian believers. However, since we believe that God is calling out a people for His name from every tribe, tongue, and nation, Eternity admits students of any race, age, sex, nationality or ethnic origin to all the programs and activities of this institution. Due to biblical convictions, specific classes may have exceptions based on gender as specified for those classes. Eternity does not unlawfully discriminate on the basis of race, age, sex, nationality, ethnic origin, color, handicap, or prior military service in the administration of its programs, policies, or activities.

High School Students

High school students are eligible for enrollment provided that they are at least Juniors and have a 3.5 GPA. All Juniors will only be allowed to take a maximum of six credits per semester. Seniors will be allowed to take a maximum of twelve

credits per semester. All students registered under this provision will be placed on academic probation for their first semester to help ensure their success.

Students not eligible under these provisions are encouraged to audit Eternity classes. This will give them a decisive educational advantage upon entering college.

Home-Schooled Students

Home-schooled students are encouraged to apply at Eternity. In addition to the normal application and references, the following procedure will be applied:

1. The applicant's parent(s) shall submit a high school transcript.
2. The Admissions Office may interview the applicant's parent(s) regarding schooling, curriculum and procedures.
3. Home-schooled students may be placed on academic probation for the first semester at the discretion of the Admissions Office. Any student with a GPA of less than 1.3 at the end of the first semester will be dismissed from the college program. After one year, the student may apply for re-admission.
4. A GED or California High School Proficiency Exam is highly recommended and in some instances may be required at the request of the Admissions Office.
5. Since some home-schooled students graduate from high school at an earlier age than their non-home-schooled counterparts, Eternity retains the right to defer an applicant until such time it deems appropriate.

Financial Aid

Eternity has specifically chosen not to participate in government loan and grant programs known as Title IV. We made that decision for two reasons. First, the problem of student debt is very significant and only getting worse. We do not want to participate in that growing problem. Second, we believe that involvement in those programs will ultimately lead to tension between our core values and those of the government.

Instead of offering high tuition that requires governmental aid for most students, Eternity offers tuition that is affordable for most students. In a very real sense all students at Eternity receive financial aid in the form of lower tuition that is achieved through generous donors and an efficiently run organization, including the sacrificial lives of the staff and administration.

However, we understand that some students may not be able to afford our tuition. For those students, we offer internal scholarships that are funded by the generous gifts of donors. All information regarding these scholarships is available from the Registrar's office.

Academic Life

General Requirements for Graduation

All students, regardless of program, must:

1. Complete the academic requirements of the specific certificate or degree (details listed under each program).
2. Demonstrate mature Christian character and moral integrity.
3. Complete Ministry Involvement Requirements (details below).
4. Be current on all financial obligations to Eternity.
5. Complete the Graduation Petition and submit the fee for graduation.

In addition, students in any 2 or 4-year program must complete the Cross Cultural Involvement Requirement (details below).

A student may not receive a diploma, certificate, or transcript until all accounts, current or otherwise, have been settled in accordance with Eternity Bible College policy.

Pre-Graduation Evaluation

The faculty will evaluate all potential graduates based on their academic performance and Christian maturity. In some rare instances, students may be denied graduation even though they have adequately completed the academic requirements due to significant character issues, unrepentant sin, and the like. If the faculty decides to deny graduation to an individual, a written notification will be provided detailing the reasons for denial and the Academic Dean will meet with the student to discuss the issues and steps to resolving them. The student may appeal this evaluation to the Academic Dean. The appeal must be submitted in writing and detail specifically why the student considers the evaluation to be in error.

Orientation

All new students are required to attend the orientation session scheduled prior to their first day of class at Eternity Bible College. This session will be used to introduce the students to the faculty, inform them of the policies and expectations of the college, and allow them an opportunity to meet one another.

English Proficiency

It is essential that all students be proficient in the use of the English language for both oral and written communication. Therefore, all new students will be required to either pass the English Proficiency Exam or take a prescribed English class offered at Eternity. The English class will not count as credits towards graduation and must be taken until it is passed. New students who have already obtained a Bachelor's Degree from an accredited institution will not be required to take the class.

Local Church Mentor

All online students are required to have a local church mentor **prior** to beginning classes at Eternity and to sustain a relationship with a local church mentor through the duration of their time at Eternity.

Any onsite student who does not have a local church mentor (usually because he / she has recently moved to the area) is required to participate in a Discipleship Lab with a Transitional Mentor. The main role of the Transitional

Mentor is to facilitate the transition into a suitable local church, establishing a mentor relationship within that church, and beginning involvement in ministry.

Any student, either online or onsite, who ends their relationship with their local church mentor for any reason must communicate in writing with the Director of Student Life regarding the date of the change, the reason, and the plan to establish a new local church mentor.

The Director of Student Life will oversee all policies with regard to local church mentors. Additional information regarding the qualities and commitments required of local church mentors and the evaluation of the effectiveness of the relationship are available from that office.

Eternity believes in the centrality of the local church with regard to character development. Eternity sees the local church mentor as a partner in the development of the student. In order to facilitate this partnership, Eternity expressly reserves the right to communicate with the local church mentor regarding issues in the student's life. This may include, but is not limited to, academic issues (e.g. plagiarism, cheating), character issues (e.g. anger, pride), and living situations (e.g. conflicts with roommates or landlords). All communications of this nature will take place through the Office of Student Life.

Ministry Involvement Requirement

Eternity students are required to be involved in a local church where he or she can live out their faith in the context of a local expression of the Body of Christ. Each student must report on three (3) aspects of this requirement every semester at registration. These elements are essential to a well-rounded Eternity education. Any questions or concerns should be directed to the Director of Church Relations.

1. Each student needs to be committed to one local church.
2. Each student needs to be involved in a minimum of 4 hours per week (60 hours per semester) of ministry in his or her local church.
3. Each student must have a mentor in their local church that they meet with on a regular basis (see above).

Local church mentors will evaluate ministry involvement each semester and the evaluation will be part of the student's permanent record. Any problems or

concerns will be reported to the Director of Student Life.

Ministry Probation

Students who fail to meet these requirements will be placed on Ministry Probation for the following semester. The Director of Student Life will notify a student placed on Ministry Probation in writing. Students placed on Ministry Probation may be restricted in the number of units they are allowed to take for the following semester. Students on Ministry Probation must make an appointment to meet with the Director of Student Life within the first two weeks of the semester in which they are on Ministry Probation.

A student who is on Ministry Probation and fails again to meet the Ministry Involvement Requirement will be dismissed. This dismissal may be appealed to the Director of Student Life. After one semester of absence, the dismissed student may apply for re-admission with evidence that they are committed to involvement in ministry. Re-admitted students will automatically be on Ministry Probation their first semester back.

The Director of Admissions, in consultation with the Director of Student Life, may at his or her discretion place a student on Ministry Probation upon admission.

Elective Credit for Ministry Involvement

Elective credit may be obtained for additional ministry involvement. Two credits will be awarded for an additional 8 hours per week of ministry involvement with a maximum of 2 units per semester and 4 units total per student. These hours are in addition to the 4 hours required for all students. The Director of Student Life must approve ministry involvement for elective credit.

Cross-Cultural Involvement

The Lord is building His church from every people group around the world. The Eternity cross-cultural program is intended to galvanize a student's commitment to reach other nations with the gospel of Jesus Christ. Every student in a 2 or 4-year program is required to have a cross-cultural ministry assignment (of at least one week in duration) before graduation.

Students are required to submit a written description of the ministry in which they plan to participate to the Director of Student Life for approval prior to the trip. Since this is a graduation requirement, students are encouraged to plan in

advance for profitable ministry experience. Students are encouraged to solicit the assistance of their local church mentor and local church staff in fulfilling this requirement. In general, cross-cultural opportunities that are independent of the participation of the student's local church will be rejected.

Graduation Rates

The graduation rates displayed are based on the percentage of first-time, full-time, certificate and bachelor's or equivalent degree-seeking freshmen who earn a certificate, bachelor's or equivalent degree after originally enrolling and completing at Eternity. Undergraduates who begin as part-time or non degree-seeking students, or who transfer into the institution from elsewhere in higher education, are not included in the cohort. The rates are calculated allowing for graduation within 150% of the estimated time needed to graduate. That means, a student seeking a four-year degree would be allowed six years to complete, while a student in a two-year program would be counted if they complete within three years.

Bachelor and Certificate Program Completion Rates

Fall 2010 Entering Class: 24%

Fall 2011 Entering Class: 12%

Fall 2012 Entering: 25%

Fall 2013 Entering: 24%

Grading of Course Work

Grade	Value	Grade Point Value
A	96-100	4.0
A-	94-95	3.7
B+	92-93	3.3
B	88-91	3.0
B-	85-87	2.7
C	77-84	2.0
D	70-76	1.0
F	Below 70	0.0
S	Satisfactory, not computed in grade point average	
WP	Withdrawn passing, must take place before the end of the sixth week	
WF	Withdrawn failing, must take place before the end of the sixth week	
I	Incomplete	

Withdrawal

Withdrawal shall be accomplished by submitting a written request to the registrar specifying from which courses the student is withdrawing. A grade of “WP” will be issued if the student was passing the class at the time of withdrawal. A grade of “WF” will be issued if the student was not passing the class at the time of withdrawal.

Grade Appeal

If a student believes a grade is inaccurate or unfair, the student must contact the professor within three days of receiving the course grade. If the student does not contact the professor within this time frame, the grade will be final. It is the student’s obligation to demonstrate sufficient evidence to convince the professor

of a grade change.

A student may appeal to the Academic Dean for a semester grade change provided that the student has first met with the professor with no mutual resolution. The request shall be in writing explaining the problem, describing the meeting with the professor, and should include copies of supporting documentation. The Academic Dean shall:

1. Meet with the student reviewing the request.
2. Confer with the professor regarding the concerns of the student with the intention of resolving the issue.

If the Academic Dean thinks there is sufficient evidence to render a decision without further investigation, he may render a final decision regarding the grade in question. His judgment in such cases would be final and binding for all concerned. However, the Academic Dean may also call for an academic review committee made up of three individuals, including the Dean, to review the appeal. The verdict of this board is final and binding.

Students are encouraged to retain all papers, quizzes and tests until they receive a final semester grade.

Grade Point Average

The Eternity grade point average (GPA) is calculated by dividing the total grade points by the total credit hours. The total grade points are calculated by summing the grade point value times the credit hours for all of the classes that have been completed.

Academic Probation and Dismissal

The Admissions Office reserves the right to place any student on academic probation at the time of his or her admission. A student is automatically placed on academic probation when his or her GPA is below 2.0. The student will be required to achieve a 2.0 GPA or better in the subsequent semester or face dismissal.

A student who has been placed on academic probation may take a maximum of 6 units in the subsequent semester, unless the Academic Dean has made an

exception.

Academic dismissal may also occur any time a student's GPA drops below 1.0. In such cases, a person may appeal to the Academic Dean for continued probation. After one semester, any dismissed student may apply for re-admission with evidence that indicates scholastic success is probable.

Transfer Credits

Eternity allows students to transfer up to 32 credits of theological education from other colleges and universities on the following basis:

1. The course being transferred has an Eternity equivalent and was completed with a minimum grade of C.
2. The college from which the transfer comes is theologically compatible with Eternity.

The Office of the Registrar will make a determination of equivalency and theological compatibility on a case-by-case basis. Final authority for the acceptance or rejection of transfer credits rests with the Office of the Registrar.

Foundations Class Transfer Credits

Students who have successfully completed one or more semesters of the Foundations curriculum may wish to transfer their credits to another institution. In such cases, each of the five semesters can be reconfigured into equivalent courses in order to represent the work the student has completed in Foundations in a way that matches a traditional non-integrated approach to studying these topics. The following breakdown shows the number of credits awarded for each equivalent course with respect to each semester of Foundations:

Equivalent Course	Credits for completing semester #				
	<u>1</u>	<u>2</u>	<u>3</u>	<u>4</u>	<u>5</u>
Introduction to Philosophy	0.5	1	1.5	2	2
Missiology & Anthropology	0.5	1	1.5	2	4

Introduction to Literature	0.5	1	1	1	1
World History	1	1.5	2	2	2
Church History	1	4	5	6	6
English Composition	0.5	1	1	1	1

Students who have taken courses that meet the equivalent of some portion of the Foundations curriculum may transfer those units in. These students will fulfill the remaining portion of the Foundations curriculum through an alternative track. They can either take these equivalent courses at Eternity or through a local college.

Cancellations and Changes

Eternity Bible College reserves the right to cancel any class if a minimum

number of students are not enrolled. In certain cases, a different class may be substituted for a class listed in this catalog. The graduation requirements will be adjusted accordingly.

Withdrawal

Although it is strongly recommended that a student complete any semester in which he or she has enrolled, certain situations may make withdrawal necessary. The following procedure must be followed if the student wishes to petition for withdrawal:

1. Discuss the situation with the student's advisor and with the Dean of Students.
2. Complete and return a withdrawal form (available from the Registrar's Office) signed by the Dean of Students, the student's advisor, and the Business office.

Academic Records / Transcripts

An academic transcript is kept for each student in the Registrar's Office. All grades earned by the student at Eternity are recorded on the student's academic transcript. The courses for which the student was enrolled and the grades earned are recorded at the end of each semester. Cumulative credit hours attempted and earned and grade point average will also be recorded at the end of each semester.

All transcript requests must be made in writing and have the student's written signature. All requests must include the student's full name, date of last attendance or date of graduation, degree earned, date of birth, and social security number.

Auditing / Personal Enrichment

Classes may be audited / taken for personal enrichment by both non-degree and degree students. However, there is an attendance requirement in order to be considered as having completed the class. Auditing students are not required to take examinations, quizzes, or complete class projects. Auditing students may or may not participate in class discussions at the sole discretion of the instructor.

First priority for registration will be given to students taking a class for credit, and spaces for auditing students will be based upon availability. Some courses may not be available to audit at the discretion of the faculty. The current audit fee is listed under Tuition and Expenses. **Audit students are required to fulfill all prerequisites.**

INSIGHT Course Equivalents

Students who took the INSIGHT (Intensive Study of Global History and Theology) class (now obsolete) receive the following equivalents for each module:

<u>Module 1</u>	<u>Credits</u>
Principles of Communication and Argumentation	2
World History - Ancient World	4

Academic Programs

Purpose of Education

Bible College can be a very important part of a Christian's life and provide preparation for a life of ministry that will be far more enriched and extensive due to the time invested in that education. Many students, however, approach education with a wrong perspective. One common pitfall students fall into is going to college to obtain a **degree** rather than to obtain an **education**. This usually manifests itself in students taking too many units to actually learn the material in the class. Students are highly encouraged to consider their entire life situation (school, work, family, ministry, etc.) and take their education as slowly as necessary to balance their other life commitments and still obtain the education they came for in the first place. Adding a semester or even a year to the amount of time in college can often mean the difference between a quality educational experience and a waste of time.

Programs of Study

Summary

Each of Eternity's programs are shaped around the Two Greatest Commandments and the Great Commission and therefore have three main components which reflect what God's mission is for His people:

1. Grow in love for God by understanding His story in the Bible
2. Grow in love for people by understanding their stories (i.e. how they think, where they've come from, what their needs and desires are, etc.)
3. Make disciples by bringing the story of God into the stories of people

The main difference in each program is how long it takes and the depth in each of these three areas, but every program incorporates some degree of all three.

Eternity offers the following degrees and certificates:

4-year Bachelor Degree:

- Bachelor of Biblical Studies

2-year Associate Degree or Certificate:

- Associate in Foundations of Christian Thought
- Certificate of Biblical Studies

1-year Certificates:

- Certificate in Transformational Leadership (26 units)
- Certificate in Youth Ministry (25 units)
- Certificate in Discipleship & Counseling (25 units)
- Certificate in Christian Ministry (24 units)
- Certificate in Global Ministry (24 units)

Bachelor of Biblical Studies (B. B. S.)

The mission of the Bachelor of Biblical Studies is to provide students with a foundational understanding of God's purposes in both the Old and New Testaments, how He worked to accomplish those purposes throughout history, and where they fit in His ongoing plan through the church. This is achieved primarily by studying every book of the Bible in a chronological manner, and then studying historical theology that developed from the close of the canon to the present day. A philosophy of ministry and practical application of the different Biblical texts to practical areas pertaining to life and vocation will be developed in each class. As a result, students should become followers of God who are able to think and respond in accordance with scripture as they read, interpret and apply it to all aspects of life.

The Bachelor of Biblical Studies consists of four main components, comprising 128 total credits:

1. Core Biblical Studies (78 Credits)
2. Historical and Philosophical Foundations (21 Credits)
3. Outside General Education (18 Credits)
4. Electives (11 Credits)

Note that the Practical Studies component of the curriculum is treated in two ways. First, most of the classes in the elective areas are practical studies. Second, there is a significant practical component integrated into the Core

Biblical Studies component. There are three classes in particular (Introduction to Discipleship Counseling, Worldview / Apologetics, and Senior Project) which provide 7 credit hours of practical studies. In addition, 25% of the OT Bible classes (21 total credit hours) and 33% of the NT Bible classes (30 total credit hours) are dedicated to practical applications of the texts being studied. Thus, there is approximately 15 credit hours of additional practical studies integrated into the Bible classes. This is very intentional as our goal is to present the Bible as eminently practical and that life, theology, and ministry are inseparable. Thus, there is a total of 22 credit hours (of the 78 total credit hours) that is dedicated to Practical Studies.

The second group is comprised of 18 units of classes that are not offered at Eternity and must be taken at another institution. It is preferred but not required that the other institution be a secular university. The goal is for students to be allowed to hear a different worldview expressed in the teaching of these classes. THEO
LANG

Classes that were offered as part of the previous curriculum are included under one heading "Obsolete Classes." Some of these classes may be offered or equivalents will be provided over the next few years. Obsolete classes all have 2-letter designations rather than the new 4-letter designations.

The course is designed as a survey of the background and content of the poetic and prophetic books of the Old Testament: Job – Malachi. An overview will be presented with particular attention to the historical context, literary structure, and theological content of each book. BIBL110 Metanarrative Beginnings 1 Credit

An overview of God’s Kingdom story that ties together the history of redemption, connects Old and New Testaments, and explores what the gospel is and why it was proclaimed as good news. Students will explore how understanding God’s story impacts our view of Christian identity, Bible history, and missional ecclesiology.

BIBL201-410

Each class in this sequence will require the students to apply sound hermeneutical principles to the specific books. Each book will be studied in its entirety with particular attention paid to specific passages in order to equip students to discover the author's purpose and to model how to study passages in depth. Students will be led to discover the author's structure and purpose and begin to understand the overall flow of thought. Authorship, audience, background, genres, key themes, specific issues, and theological development will be discovered and discussed.

Students will be forced to grapple with the theological implications of the passages as applied in all areas of life and thought. One quarter (25%) of each Old Testament class (BIBL201-205, 310) and one third (33%) of each New Testament class (BIBL301-410) will be dedicated to practical application of those books to specific areas of life and ministry. Some of the specific areas that will be addressed in each class are specified in the individual class description below.

Each class in this series will be based on the concept of progressive revelation so discussion will be limited to books that have already been studied.

These classes will typically be offered in a module format rather than an entire semester format.

had. Her life journey, as well as her passion for God's truth setting captives free, are what inspired her to study Biblical Counseling.

She is currently teaching Art and Photography at Grace Brethren High School. She has also been a wedding photographer for the past 8 years. Although she used to believe that being gifted as an artist was not all that practical nor significant, she is consistently blown away by how art can be used as a tool for the gospel. She gets to practically live out Biblical Discipleship at the High School and she has a heart for building authenticity in the church.

Richard is also a Christian academic with a BSc in Physics and Philosophy, MAs in Philosophy, Theology and Ethics, a PhD in Philosophical Theology, and has published various articles.

A driving force for Richard is his desire to have a foot in the church helping people think about how to articulate their faith in a way that enables them to be authentic and mature; and to have a foot in the world exploring the barriers to engaging with God that can be broken down, sharing Jesus with people, and equipping the church to connect with the unreached in our culture. This goal encompasses the students he works with, as he enables students to learn how to grow in Jesus, follow their calling, and mature in themselves all with clear, articulated purpose. His goal is to see a new generation of leaders stepping into their communities with passion for Jesus, a mature walk with him, and satisfying answers to the penetrating questions people are bothered by.
